FRANK O'NEILL, CHAMPION RIDER OF AMERICA, VISITING IN CITY

Roscoe Greatest of All Sprinters Says the Premier Jockey—Could Beat Reliable Doing Anything—Syonby Two Lengths Better Than Omea—Burgomaster Best 2-Year-Old of the Season—Ormondale, Futurity Winner, Comes Next.

Frank O'Neill, the premier jockey of the American turf, spent Thanksgiving Day with his parents at their home, No. 329 Madison avenue. He was accompanied by his wife, who was Miss Mary McCallister. O'Neill is a daughter of A. C. McCallister, the veteran turfman, and brother of John and Charlie McCallister. Jockey O'Neill will remain here until tomorrow, when he departs for New Orleans to ride for his regular employer, Newton Bennington, who has a string of twenty horses at the Crescent City track.

O'Neill closed the season in the East with 100 winning mounts to his credit. Jockey Niool has ridden more winners than O'Neill, but the St. Louis boy has the best percentage. O'Neill rides at 160 pounds and did not have one-half as many mounts as Niool and "Big Bill" Knapp, his chief rivals for the riding honors of the year. Niool and Knapp are both light boys, and Knapp rides as light as ninety pounds and Niool can make almost as light weight.

O'Neill rode Beladane in all her races and considers August Belmont's hunter the best mare the American turf has ever produced. Eastern authorities place her head of Miss Woodford, Imp and Prena, and all the great mares of former years. I piloted Beladane to victory in the Suburban Handicap at Coney Island last June. Mr. Belmont retired her from the turf shortly after this race. One of the best races ever run under me was at Brighton Beach last summer when the great Hermalb beat her at one mile in 1:30 and a fraction. It was a hard-fought contest from start to finish. The weights were about the same as Hermalb beat the mare by a nose. "Burgomaster is the best 2-year-old of 1905 in my estimation," continued O'Neill. "He improved steadily during the season, and the crushing impact of 115 pounds, Ormondale, winner of the Futurity, was the best 2-year-old of the year although the Western colt, George C. Bennett, ran a number of smashing races." "Bennett died recently, but had he lived I believe that Burgomaster and Ormondale would have held their own in their 3-year-old form. Burgomaster belongs to Harry Payne Whitney. Ormondale is a son of the mighty Ormeau, England's premier horse. Ormondale is the best horse

BIG NINE TAKES NO ACTION ON REFORMS

Changes in Football Rules Considered, but Nothing is Done—High Prices of Admission to Games Protested.

REPUBLIC SPECIAL. Chicago, Dec. 1.—The agitation throughout the West for reforms in football which has been going on for some time, was given a boost by the conference of representatives from the universities of Minnesota, Wisconsin, Northwestern, Chicago, Michigan, Indiana, Purdue and Illinois, which met here today.

The subject was considered and there was much talk about the proposed changes. The members were unanimous in the opinion that several changes would be beneficial, but it was apparent that no drastic reforms would meet with no encouragement.

PROTEST HIGH PRICES. A protest against the high prices of admission for intercollegiate football games was registered and a resolution that the maximum admission of these contests should not be more than 25 cents was adopted.

This resolution was proposed by Professor J. B. Hutton of the University and was adopted by a unanimous vote. The resolution reads: "Resolved: That the high price of admission charged to the intercollegiate games is a hardship on the student and that the sum of money received from these games have a tendency to magnify the athletic side of student life.

The conference is of the opinion that no more than 25 cents should be charged for any seat, whether reserved or not, and that a less charge should be made when the seats are sold in advance.

This protest will be sent to each of the colleges in the "big nine" conference and the authorities are expected to take some action in the matter.

OFFICERS ELECTED. The conference organized by electing these officers to serve for the coming year: President, Professor Frederick J. Jones, Minnesota; secretary, Professor J. B. Hutton, Northwestern; treasurer, Professor C. A. Waldo, Purdue.

It was decided to hold the next annual meeting at the University of Wisconsin at Madison, Wis., in June.

George P. Meyer, a student of the University of Illinois, who was suspended on a charge of having played in a professional football game a year ago, was reinstated and the athletic disqualification against him withdrawn.

The report of Professor Waldo, official arbitrator, called attention to the need of having a definite understanding of what constitutes a college football game. The conference decided to have a committee to consider the subject and draft a clearly worded definition and necessary rules for presentation at the conference at its meeting next June.

THE SCHULTE CASE. In this connection the cases of Dunlap and Schulte, who were suspended from the Chicago team for playing in professional games, were mentioned to show the necessity for a standard definition of a college football game.

The cases of these three men, it was declared, was a closed incident, and that the proper procedure was to have a committee to consider the subject and draft a clearly worded definition and necessary rules for presentation at the conference at its meeting next June.

FAVORITE WIN AT BENSING. Bennington, Dec. 1.—Short-priced odds on the Bennington team to win today's game against the Chicago team, 10 to 1, were the favorite odds. The Bennington team, led by Coach D. C. Dec, defeated the Chicago team, 10 to 1, in a game that was a real contest.
